

# How to make a cosy cat bed

**You will need:**

**Cardboard box • Scissors • Bowl • Pen • Large T-shirt • Snuggly blanket**

**1**

Gather your cardboard box, t-shirt, blanket and 'tools' to make the bed

**2**

Draw around the bowl on opposite sides of your box

**3**

Cut out both circles so you can see right through your box

**4**

Pull the t-shirt over the box and line up the neck with one hole

**5**

Tuck in the sleeves of the t-shirt at either side of the box

**6**

Pop your cat's favourite blanket inside, et voila!
