Why should I neuter my cat?

Getting your cat done is good for them… and you! Why? Read on…

Reduces spraying and wailing

Yowl Yowl Yowl
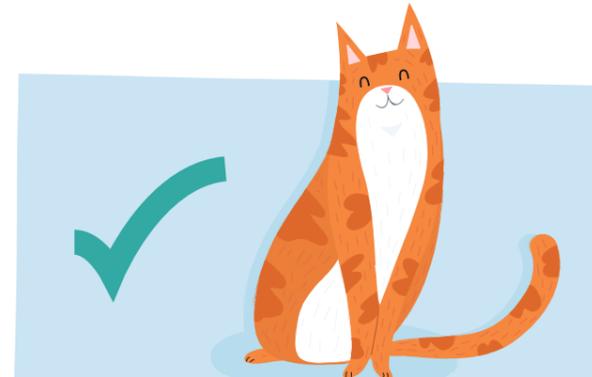

It's normal to neuter!
85% of owned cats are neutered*
(*cats.org.uk/stats)

Reduces fighting, injuries and vet bills

Kittens are hard work and cost time, effort and money

Reduces risk of cancers and other diseases through mating

Less likely to roam, get lost and injured on roads

Did you know?
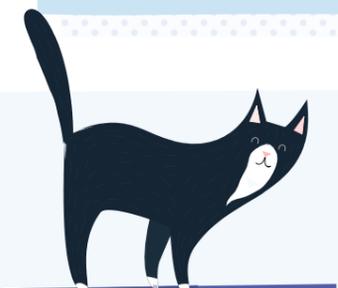

Cats don't need 'just one litter' before being spayed
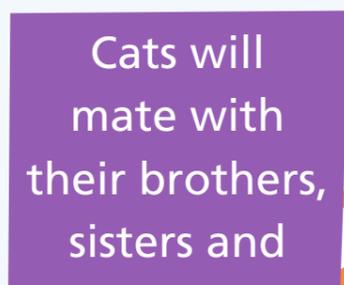

Cats will mate with their brothers, sisters and parents
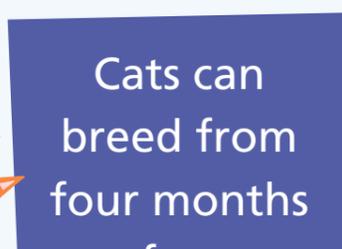

Cats can breed from four months of age

Females can come into heat every 2-3 weeks

Females can have up to 18 kittens a year

Want to know more?

Neuter your cat at four months of age or younger.

Visit www.cats.org.uk/neutering or find a vet to discuss neutering on **www.cat-kind.org.uk**

Call our Neutering helpline on **03000 12 12 12** to find out if you're eligible for a voucher.

It's kinder to neuter.
