Make up a leaflet about your cat.

Include :-

A photograph if possible

Colour/length of fur

Age

Male or Female ?

Whether the cat is neutered

Microchipped ?

Wearing a collar, give description

Any distinguishing features

Where the cat went missing and when.

It may help to offer a reward.

Post the leaflets through every door in your immediate area.

Display at the Vets, Post Office, Library, Pet shops, Local Corner Shop, Local School and Doctors Surgery etc.

It is also useful to tape leaflets to telegraph poles and lamp posts and also your own front gate.

Other suggestions:-

Check lost and found sections in the local papers.

Contact the local Environmental Health department at Cambridge Council in case they have found any cats killed in a road traffic accident.
