

Help shape our future...

Become a member today

Becoming a member of Cats Protection means you will be able to have your say in our future. All members have voting rights at our Annual General Meeting, meaning your voice will be listened to as we strive to help even more cats in the future.

We help more than 157,000 cats and kittens every year through our network of 29 adoption centres and 256 branches. Becoming a member will help us ensure that every cat is given the chance of a life where it will be treated with kindness and an understanding of its needs.
