

ELY AND DISTRICT CATS PROTECTION 23rd CHARITY PET CAT SHOW

11th MARCH, 2017

MISS IRENE ROOS

A perfect day ! Linda and all her wonderful helpers put so much work into making the show such a happy and successful one. Lots of gorgeous cats to cuddle and judge, a delicious lunch, a very welcome take-home present and such friendly, welcoming companions. What more could I want ? I hope the show was the great financial success it deserves to be. I was so pleased to see all the cats needing new homes had been reserved – I hope they will soon be settled happily with their new owners. Many thanks to Linda for the lovely day.

NON-PEDIGREE PET SHORT HAIR ADULT FEMALE – A

1 ANDERSON'S LOTTIE (July, 2005) – an adorable lass, so gentle and friendly. She had a soft, thick, very well prepared black coat. She enjoyed coming out for a cuddle, chatting happily to me. When she was back in her pen she loved having her ears tickled, she wanted me to stay with her, making a fuss of her. A delightful lady.

2 BROWN'S MATILDA (07/05/2007) – such a lovely lady. Her attractive blue coat was soft and plushy and had been very well groomed. She came out to see me and enjoyed gazing around with her gorgeous green eyes, very interested in all that was going on. Back in her pen, she stretched out, asking me to tickle her tummy. A very happy and friendly girl.

3 MARUSZEWSKA'S POPPY (03/09/2009). In the pen there was a green blanket which moved round, emitting quiet growls. I opened up a corner to reveal a pair of large eyes gazing balefully at me. They belonged to a beautiful tortie lass who made it quite clear she was having a 'Greta Garbo' day and wanted to be left alone – such a pity !

A happy, affectionate and friendly girl. A delightful lady.

2 MARUSZEWSKA'S LEXI (July 2012) – a beautiful girl with very attractive blue and sparkling white markings. She was sitting calmly on her comfortable red blanket, but made it quite clear she wasn't going to leave it, and she had no intention of letting me make a fuss of her – she was quite vocal about it. What a shame.

She was snuggly ensconced in her igloo, and although I invited her out, she said she wasn't going to leave it.
