

Events 2011

Cats Protection is the UK's largest and oldest feline welfare charity. From humble beginnings in 1927, we have grown to become a nationwide network of 29 adoption centres, one homing centre and over 250 volunteer-run branches helping 215,000 cats and kittens every year.

This wouldn't be possible without the support of people like you, so why not take the plunge in 2011 by taking part in an event for Cats Protection? Challenge yourself with these events and raise money for a worthy cause at the same time!

The three main aims of Cats Protection are:

- To find good homes for cats in need
- To support and encourage the neutering of cats
