CATS PROTECTION VISION STATEMENT

The charity's vision is to ensure that every cat is given the chance of a life where it will be treated with kindness and understanding of it's needs.

WHAT DOES YOUR MEMBERSHIP GO TOWARDS?

- It costs around £130 to vaccinate, neuter and microchip a cat so they can be rehomed. We also ensure they are wormed and treated for fleas.
Whilst they are in foster care we need to supply their foster mums and dads with food, litter and basic equipment as well as paying for any veterinary treatment they may need.
We also support various groups of feral cats.
We help towards neutering costs for those on low incomes (terms & conditions apply)
We provide advice and help to the public on cat related matters

N.B. Membership does not commit you to attending our meetings or fundraising events though of course you are most welcome. See our website for details of events.
