Cats Protection - Trafford Branch

Trafford Branch of Cats Protection is run on charitable donations raised locally.

Local fund raising events and donations are the only way the group can continue its work.

The group is run wholly by volunteers, many of whom are in full time employment, who in their spare time fund raise, rescue, care and home the many abandoned, neglected cats and kittens in the area.

We do not put cats to sleep - unless advised to by our vet, due to medical reasons - and until a suitable home has been found, the cats and kittens stay in the care of the Trafford Cats' Protection.

All cats and kittens awaiting new homes are cared for by fosterers throughout the area - there is no sanctuary. All prospective homes are carefully vetted and followed up by a homing officer.

Additional funds are always needed to pay for food, litter, neutering, vets bills and medicines.

If you can help in any way please telephone our Branch Coordinator on 0161 969 0331.

Any help, no matter how little it may seem to you, is very much appreciated by our group.

We look forward to hearing from you!

Trafford Cats Protection

Can you help ?

We are always looking for support and new ideas to raise funds for the cats and kittens that we care for.

There are many ways in which you can help us:

- Hold a collecting tin during a street collection.
- Assist in fund raising i.e. running a stall at a fund raising event.
- Help with transportation – goods to events, cats / kittens to the vets.
- Knit cat blankets or toys - particularly cat nip mice - always a favourite with the felines (instructions can be provided).
- Make crafts to sell at fund raising events.
- Monitor traps for ferals.
- Become a fosterer – all equipment provided. Food, litters and vet bills paid.

Every job is important and whatever help and support you can provide will be much appreciated...

...even if it is only one hour over the course of a year.

If you can help please contact our Branch Co-ordinator on 0161 969 0331.

Thank you
