... and help give cats a second chance

Every year, Cats Protection helps over 193,000 cats and kittens. This includes around 52,000 who are found loving new homes through our adoption centres and branches nationwide.

We rely entirely on the generosity of cat-loving people like you to help fund our vital welfare work.

- £15 can feed a cat in our care for 15 days
- £20 supplies one month's special diet for a cat recuperating from malnourishment
- £50 can pay for a cat to receive dental treatment
- £75 can pay for a cat to be fully treated by a vet; including blood tests, vaccinations and microchipping
- £100 can pay for an X-ray and ultrasound examination, which is often needed to help cats with serious illnesses

Cats Protection never puts a healthy cat to sleep; cats stay with us until they are found loving new homes – regardless of how long this may take.

Please give generously
