# SPONSOR A CAT PEN

All our cats and kittens awaiting new homes are cared for by a team of dedicated volunteer fosterers. The cats are kept either in purpose built pens in fosterers gardens, or in their own homes. Many cats pass through these pens/homes during a year and by sponsoring a pen for a regular amount each month, (**minimum £3**), you will receive a quarterly newsletter giving stories and photographs of the cats that pass through. You may also visit your pen by pre-arrangement.

Sponsorship is a way we can raise much needed income to help pay for the vet bills, food, litter and the general upkeep of the pens etc. *This way you can get to know what it is like to be a fosterer without actually having to do it!*

If you do not want to commit to sponsor for a full year, you could buy a single gift sponsorship for a one-off payment of £10.

### **I am interested in sponsoring a CAT PEN.**
