

Volunteer role description

Neutering volunteer

Cats Protection is the UK's leading feline welfare charity and our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats are at the centre of everything we do and our objectives are: homing, neutering and educating people about cats and their care.

We help thousands of cats across the UK each year thanks to our network of dedicated volunteers, employees and supporters.

A bit about this role

At Cats Protection we passionately believe that neutering cats before they can breed is an essential part of cat ownership, and without neutering the UK's cat population would quickly get out of control. Our neutering volunteers help spread positive neutering messages and make it easier for owners on low incomes to get their cats neutered. They help raise awareness of the benefits of neutering, promote our neutering schemes and respond to enquiries from members of the public.

What can you expect to be doing?

- Promoting the benefits of neutering and our neutering schemes
- Responding to enquiries about neutering
- Completing relevant neutering paperwork and distributing neutering vouchers
- Following up with cat owners to make sure that vouchers are used
- Ensuring all cats and kittens are neutered in line with Cats Protection policies and procedures
- Free text as bullet points

What are the benefits to you and the cats?

You will develop new skills, expand your knowledge and make a significant contribution to improving the lives of cats and kittens by promoting our neutering scheme. You will also meet new people, make new friends and be part of a dedicated team of volunteers.

We're looking for someone with

- Good interpersonal and communication skills
- Good record keeping and administration skills
- Good organisational skills
- Willingness to be part of a team

Time expectation

Our neutering volunteers usually spend between two to four hours a week in this role, which is flexible and can be shared by more than one volunteer if needed.

Support, guidance and keeping you safe

At Cats Protection we believe our volunteers should be happy and confident in their roles. We provide support and guidance from our National Cat Centre and through our regional and local volunteer groups and teams. We offer engaging online and face-to-face training, expenses and have policies and processes to help volunteers get the most out of their time with us.

The wellbeing of our people is important and at Cats Protection we are committed to safeguarding children, adults at risk and all those that we come into contact with as part of our activities.

Thank you for joining us and sharing in this commitment and for everything you will do during your time with Cats Protection.
