Time expectation

Our fundraising team leaders usually spend three to four hours per week in this role, which is flexible and can be shared by more than one volunteer if needed.

Support, guidance and keeping you safe

At Cats Protection we believe our volunteers should be happy and confident in their roles. We provide support and guidance from our National Cat Centre and through our regional and local volunteer groups and teams. We offer engaging online and face-to-face training, expenses and have policies and processes to help volunteers get the most out of their time with us.

The wellbeing of our people is important and at Cats Protection we are committed to safeguarding children, adults at risk and all those that we come into contact with as part of our activities.

Thank you for joining us and sharing in this commitment and for everything you will do during your time with Cats Protection.
