

Volunteer role description

Photo and video volunteer

Cats Protection is the UK's leading feline welfare charity and our vision is a world where every cat is treated with kindness and an understanding of its needs.

Cats are at the centre of everything we do and our objectives are: homing, neutering and educating people about cats and their care.

We help thousands of cats across the UK each year thanks to our network of dedicated volunteers, employees and supporters.

A bit about this role

Our photo and video volunteers help source, capture and share engaging photos of cats and other images to promote everything Cats Protection does for cats across the UK. Their photos and images help raise awareness of our fantastic volunteer groups and teams which in turn helps raise funds, raises awareness of adopting a Cats Protection cat, helps promote neutering and encourages people to learn more about great cat welfare.

What can you expect to be doing?

- Communicating with others to obtain photos and videos
- Organising photos and videos provided by others
- Capturing images of cats in care, cats we are helping, events and all things Cats Protection
- Ensuring that content meets with internal and external policies and guidelines
- Free text as bullet points

What are the benefits to you and the cats?

You will develop new skills, expand your knowledge and make a significant contribution to improving the lives of cats and kittens by using your creativity to increase awareness of Cats Protection. You will also meet new people, make new friends and be part of a dedicated team of volunteers.

We're looking for someone with

- Self-motivation
- Photography skills
- Good IT skills
- Good verbal and written communication skills
- Willingness to be part of a team

Time expectation

Our photo and video volunteers usually spend two to three hours per week in this role, which is flexible and can be shared by more than one volunteer if needed.

Support, guidance and keeping you safe

At Cats Protection we believe our volunteers should be happy and confident in their roles. We provide support and guidance from our National Cat Centre and through our regional and local volunteer groups and teams. We offer engaging online and face-to-face training, expenses and have policies and processes to help volunteers get the most out of their time with us.

The wellbeing of our people is important and at Cats Protection we are committed to safeguarding children, adults at risk and all those that we come into contact with as part of our activities.
