

How to:

Make a feeding enrichment toy

You will need:

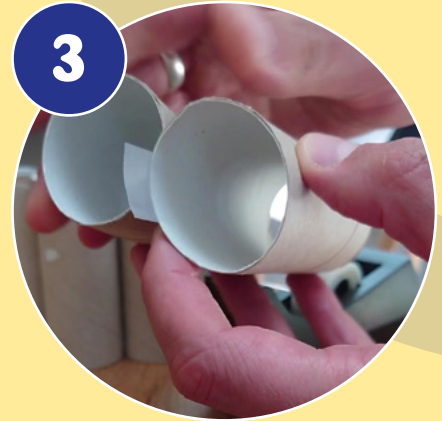

Six toilet roll tubes • Sellotape • Cat biscuits

1
Gather a minimum of six toilet roll tubes

2
Grab your Sellotape

3
Start sellotaping the cardboard rolls together

4
Make sure you stick them together at the front and back

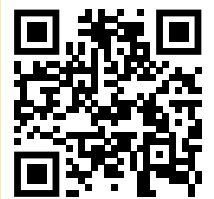

5
Build them into a pyramid shape as you're fastening

6
Fill with your cat's favourite food or treats and show the cat how to use it for a couple of minutes before letting them have a go
