

# Join our squad and help us score big for cats this summer!

With the excitement of women's football taking over this summer, we're bringing that same team spirit to help cats find their forever homes.

**Did you know that in 2023, only 18% of cats were adopted from charities like Cats Protection?** Too many are still waiting on the sidelines.

That's why we're asking cat lovers everywhere to join our squad and help champion adopted cats. Whether you host a footy-themed fundraiser, set up a sweepstake, recreate your favourite goal celebrations or just spread the word, you can help us find more cats their forever team.
