

Merry Christmas

What's a cat's favourite colour?

Purr-ple

Although most cats have 18 toes (five on each front paw, four on each back paw), some cats are polydactyl, meaning that they are born with extra toes!

What's a cat's favourite Christmas song?

Feline Navidad

Cats have different miaows to communicate their different needs with their owners. How many miaows does your cat have?

What do you call a cat who sings Christmas carols?

A meow-sician

Cats can reach speeds of up to 30mph!

Why don't big cats join in with Christmas games?

Because they're cheetahs!

A cat's nose is formed of a unique pattern of ridges, much like a human fingerprint.

Why does a cat watch you work?

To keep an eye on the mouse!

Cats can spend up to 16 hours a day asleep.

What's a cat's favourite Christmas film?

The Santa Claws

Cats notice changes in our voice and body language, helping them to respond to our emotions in their own way.
