The cat owner:

Name: Ms R Smith
Daytime Telephone Number: xxxxx xxxxxx
Evening Telephone Number: xxxxx xxxxxx

About the cat:

I have owned Charlie for three years. He is a very well behaved cat. He is house trained, friendly and relaxed. He uses a cat flap that is activated by his microchip. He has several scratching posts, which he uses regularly and does not scratch inappropriately. Charlie is healthy, having had regular flea and worm treatments and a yearly health check as well as annual vaccinations.

Veterinary Surgeon:

Name: Mewes Vets
Daytime Telephone Number: xxxxx xxxxxx
