</table>

Other (please describe): [ ]

To minimise the length of stay for a cat we can sometimes offer the option of keeping the cat at home (indoors) and we will pay for the cat to see our vet prior to it coming in to our care. This can reduce the cats stay with us from 4 weeks to 7 days.

If we cover the vet costs would you be able to take your cat to our vet and keep the cat inside your home for up to a month?
