

# Stourbridge and District Cats Protection 2012 Calendar Photo Competition

We are inviting entries for a photography competition and the 12 winning images will be used in our very own 2012 calendar. We are looking for all sorts of interesting photos of your cat or kitten. Images should be submitted as a printed photo but to be included in the calendar they must eventually be supplied in a landscape digital format at 300 dpi (minimum). Anyone can enter and photos will not necessarily be judged on their technical merit. We are trying to capture the fun and enjoyment that caring for a cat provides.
